really love it wolves and bears together as a Pack then you got the changeling facts is they can turn into the last person  
they see when it is the Red MoonElana Spencer was a human who owned a florist shop she loved to design flowers in  
an arrangement, she was very talented. Things are happening that were out of Elana's hands, her parents were  
murdered, their house was trashed and then a big brother appeared she didn't know she had a brother. Did he kill  
they're parents?Kalan Murdoch is a Deputy Sheriff, a WereBear Shifter and the Beta for they're Pack. Rye his Alpha  
of the Pack is a WereWolf Shifter. When Rye was in the hospital, Kalan smelled a scent that made his bear go crazy  
but he left only to realizeA where the scent came from his Bear roarrrrrrrrrrr Mate! Could it be for real?I was gifted this  
ARC for an honest and truthful review.

KurzbeschreibungIf dreams were real...Flower shop owner, Elana Stanley, would be tall and thin, and the intensely hot  
cop, Kalen Murdoch, would take one look at her, slam her against the nearest wall, and kiss her until her body melted.  
And if dreams were real, Elana would have the courage to approach him. When tragedy strikes, Kalan's assigned to  
protect her, and he soon realizes she's the only woman who will tame this inner Beta's bear. But tame is the last thing  
that Elana yearns for...Best selling author Vella Day believes in a feel good story where the hero loves his woman  
passionately and unconditionally and will do whatever it takes to keep her happy and safe; and where magic adds a bit  
of spice to every encounter.
