Schoene UnterhaltungVon daxie1968Wer schoene Krimiunterhaltung mit feinen Rezepten sucht, ist hier genau an der richtigen Adresse.Mit Herz,Witz und Humor wird eine unterhaltsame Kriminalgeschichte erzaehlt.Wer eine Abwechslung sucht, von den heute so beliebten "wie gehts noch grausamer und blutiger" Krimis, ist hier an der richtigen Adresse.Die Spannung kommt auch nicht zu kurz und man freut sich schon auf die naechsten Buecher.Habe inzwischen schon weitere gelesen und muss sagen, wirklich eine schoene Serie.2 von 2 Kunden fanden die folgende

Rezension hilfreich. A New Addiction! Von Ein Kunde I am so glad I discovered this series. Anyone who enjoys Sue Grafton, Janet Evanovich, and other authors with 'real' people will love Davidson's books. My only beef is with a blurb on the cover, comparing her to Mary Higgins Clark. I found the characters in this book far more human, appealing, and humorous. I'm furiously ordering every one of the books in this series. She's just my style. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A great first novel! Von Uncle Carl I loved the book! I found it by accident and am I glad I did! However now I have several more of this authors books to read! This is a wonderful book! Goldie Bear is a great cook and a fun sleuth. The book is peppered (sorry about the pun) with wonderful recipes. The characters are well developed and Ms. Davidson does a wonderful job of keeping you guessing.
