Von Terrie Farley Moran : Caught Read-Handed (Read Em and Eat Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Caught Read-Handed (Read Em and Eat Mystery):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Just okayVon jeanne adamekThe mystery was a good one and well written, but I think that I would have enjoyed this book

much more if I had read the first book in the series first. For some reason I couldn't get a hold on Sassy, and I have to admit I really wish there was more on the "bookshop" part of Read 'Em and Eat.

KurzbeschreibungFrom the national bestselling author of Well Read, Then Dead comes the second mystery featuring Sassy Cabot and Bridgy Mayfield, who bring Fort Myers Beach, Florida, residents plenty of sinful treats and killer reads at their bookstore caf, Read Em and Eat. Happy to help her fellow bibliophiles, Sassy visits the local library with book donations for their annual fundraising sale. Unfortunately, the welcoming readers haven is in turmoil as an argument erupts between an ornery patron and new staff member, Tanya Lipscombe also known as Tanya Trouble. She may lack people skills, but everyone is shocked when she's later found murdered in her own hot tub. The man last seen arguing with Tanya is soon arrested. But Alan Mersky, a veteran with PTSD, happens to be the brother of Sassy's former boss and he's no murderer. Now it's up to Sassy and Bridgy to clear Alan's name and make sure the real killer gets booked. Includes a recipe for Miss Marple scones!
