DRAMA LOVE DRAMAVon Al-Khemet Book ClubThis was one dark and twisted romance novel. It was very gripping and entertaining all at the same time. I felt Misty's pain, she found the will to move on from her ex husband, found someone new and starting life over again, just to be haunted by her past. . .Why couldnt her sister just keep her

pregnancy to herself, I don't wish to sound cold, but she was involved with her sister's ex-husband and got pregnant by him, she should have left Misty to find whatever peace and solace there is to be found in this dark and miserable world. I love how supportive Aaron's character is, but is he truly the guy for our Misty? I do hope she finds true happiness, she deserves that much. The drama in this book hits home, the tensions high and the romance heavy edged. Elizabeth keeps you turning the pages, she did an amazing job with this book and I am very excited about what she comes up with next. Al-Khemet Book Club JUL 2015

Kurzbeschreibung Finding her freedom. An unexpected love triangle. The strength to continue. Misty Bauer is finally on her own away from her abusive ex-husband, Richard, and starting over. She's hoping to find her footing in a new town, a new job, a new life. But an accident sends her down a path she didn't see coming. Aaron Price, Misty's hunky fireman rescuer, keeps running through her mind. Until he keeps landing in her bed. A new relationship isn't what she was looking for, but now that she's in one, is she strong enough to trust her heart to a new man? Suddenly, Aaron is her emotional rescuer, not just her physical savior. When Misty's sister shows up, pregnant with Richard's child, Misty can't find the strength to go on alone. She turns to Aaron and finds herself falling for him hard. Will his love for Misty be what she needs to finally forgive, forget and trust again?
