Von Piers Anthony : Centaur Aisle (Xanth) before purchasing it in order to gage whether or not it would be worth my time, and all praised Centaur Aisle (Xanth):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. for

crying out loud Von Ein Kunde I would not regard this book as a "bridge"; merely an exaggeration of a man's pathetic willingness to do whatever a beautiful woman wants. Thus it is not sexist. It is not trying to say that women use their charms to trap men, because my actual experience with women is that they want a man's feelings to be based on a conscious decision rather than a fundamental attraction. There is the customary adventure, but, as in *The Source Of Magic*, it means nothing. Oh, well, at least it had a theme, however exaggerated, and some funny parts, such as the spelling bee. Dor's character sours in this book much the way that Bink's character soured in the *Source of Magic*. In *Castle Roogna*, Dor is twelve but acts sixteen, and in this one it's the other way around. What's strange is that *Castle Roogna* starts out with Dor having a crush on Millie, and he goes on a tough adventure just to un-zombie the one that she loves. He wanted to get along with Irene in that one, but she was too immature. They kiss at the end. In this one Irene's prettier and more charming (which is not the same as nicer) and over the course of the story Dor doesn't exactly act with the same gallantry, which I think is unrealistic. Anthony seems also to blame this on Irene; that she "trapped" Dor into marriage just so she could be Queen. I'm a 15-year-old boy, and I KNOW it doesn't work that way. What about Iris and Trent? Later in the series you find out that Iris's secret desire is for Trent to love her of his own volition--once she realized that her illusions weren't getting to him. THAT is the way marriages work. You might think I'm saying that because the male has the upper hand, but later later in the series King Trent admits his love for Queen Iris as well. King Trent is my role model; I'm not ashamed to admit that. But this book can give people wrong ideas. 0 von 0 Kunden fanden die folgende Rezension hilfreich. great, like the rest Von Ein Kunde 16 year old Prince Dor must fill in as temporary king while King Trent and Queen Iris are away on business in Mundania. Two weeks pass, no Trent. Dor decides he (Trent) must have been captured. He gathers a search party, consisting of an ogre, a golem, a centaur, and Princess Irene, who is way more than willing to be Dor's Queen. The party set's off to the Good Magician Humfrey, to ask how they could rescue Trent. Humfrey tells them to seek the Centaur Aisle. So they set off toward Centaur Isle in the south. Mundania, of course, lay to the north. Ingenious plot, as always. Piers Anthony never fails to bring his immortal characters to life. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good Adult Fantasy Von Peter Dykhuis I agree with most of the comments of the previous reviewers. This is a really good book, as are most of Anthony's Xanth novels. This is a book that can be read easily by younger people as well as adults. However, this is not a Harry Potter look alike. This book may be written so that it can be read by eleven or twelve year olds but it should not necessarily be read by them. This book has some light sexual encounters that may be unsuitable for younger readers. This does not ruin the novel but does change the target audience somewhat. A good book, if not the best of the Xanth series.

Kurzbeschreibung Dor agreed to act as King of Xanth so long as Trent was gone for a week. But the weeks passed and Trent did not return. Dor knew he had to rescue his king but with no magic powers, how could it be done...? From the Paperback edition. Kurzbeschreibung Dor agreed to act as King of Xanth so long as Trent was gone for a week. But the weeks passed and Trent did not return. Dor knew he had to rescue his king but with no magic powers, how could it be done...? From the Paperback edition. Synopsis Dor is preparing to be the next Magician-King of the magic land of Xanth, when the reigning King fails to return from a mission to Mundania.
