KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An interesting storyVon MVLThe plot is great! The story is well told, though there are one or two breaks in the story that could use some explaining. There are some editing issues, but they don't ruin the pace of the narrative. The Dacian landscape comes beautifully alive and what a harsh world it must have been. A good book worth reading! Happy I

found it. On to volume 2.
