Lowell here!Von Ein KundeThe plot is excellent, the main character must overcome several fears that would leave most women in therapy for the rest of their life. The setting (Great Barrier reef Ausie land) is also depicted in the most gorgeous detail. So why didnt I like this book more? Because Lowell can do so much better. Dialogue is perhaps the worst she has ever written. The romance is contrived (real death knell) This is a somewhat sad "could have been a contender"1 von 2 Kunden fanden die folgende Rezension hilfreich. Ok....butVon Ein KundeI am a fan of Elizabeth Lowell and enjoyed the plot, the romance and most of the content of this book. However, when was the author last in Australia? Good grief, aussie men haven't called girls "shielas" for about thirty

years and it's an extremely rare aussie girl who calls another girl "mate" - a term usually only used from one "bloke" to another. Also some of the diving terms were a bit out. (divers breathe air not oxygen) Ms Lowell's research is usually quite good so that was a bit disappointing. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Another great novel for Lowell! Von Angie I really enjoyed reading this book. It packs a very fascinating story into a small amount of pages. The romance that blooms between the two main characters is RED HOT! You don't want to miss reading this one!

Kurzbeschreibung First time in eBook. Because of a tragedy Mandy Blythe barely survived, she is terrified of flying and of water. When she is tricked into bidding on a man at a charity bachelor auction, she has no idea that she is about to confront her deepest fears. Damon Sutter has been cornered into offering himself at his aunts charity auction. His reward would be his first vacation in years. Never guessing he would be spending three weeks with his aunts sexy assistant, he chose three weeks of diving on a distant, tiny coral island on the Great Barrier Reef. It was Mandys worst nightmare come true. Yet Damon was also her secret dream. Now all she had to do was survive and risk love.
