Fauna auf dem unbewohnten Planeten Gaia studieren. Während eines Zwischenstopps auf dem von Frauen beherrschten Planeten Yonnie Six wieder, auf welchem Männer ausschließlich als Diener der weiblichen Bevölkerung fungieren, trifft sie im wahrsten Sinne des Wortes auf den Mann ihrer Träume, ihrer nächtlichen Träume wohlgerichtet, denn sie träumt seit Monaten von dem muskulösen, mysteriösen Mann. Korexiroth, von Maggie kurzerhand Kor genannt, ist ein Sklave, der jahrelang als Gladiator um sein Leben kämpfen musste. Maggie gelingt es, Kor zu befreien, doch der Preis, den die schüchterne Forscherin dafür zahlen muss, ist hoch. Ihr wird ein sogenannter Slut Button eingesetzt, also ein Flittchen-Knopf, der sie ständig in sexuelle Lust versetzt. Gemeinsam machen sich die beiden auf die Reise nach einer Lösung, eine Reise, auf welcher sie sich verständlicherweise sehr nahe kommen. Chained ist der mittlerweile neunte Band von Evangeline Andersons Brides of the Kindred-Reihe. Wie alle Bände der Reihe enthält auch dieses Buch eine gute Mischung aus Action, Erotik und Spannung und ist ansprechend geschrieben. Wie immer spielen neben den Hauptprotagonisten auch die Hauptprotagonisten früherer Bände eine wichtige Rolle, was mir gut gefällt, denn so erfahren wir, wie es mit ihnen weitergeht. Mein größter Kritikpunkt an der Geschichte ist Maggies Verhalten: Sie ist zwar mit dem staubtrockenen und ihr gegenüber recht gleichgültigen Wissenschaftler Donald verlobt, doch aufgrund des Slut Button(s) kommt es zwischen ihr und Kor zu allerlei sexuellen Handlungen. Trotz der Gefühle, die sich bald zwischen ihnen entwickeln, hält sie an ihrer Verlobung fest und redet sich ein, sie würde Donald nicht betrügen. Das ist natürlich Unsinn und schwer zu glauben, aber andererseits hatten die USA erst vor rund zwei Jahrzehnten einen Präsidenten (Ehemann der aktuellen Präsidentschaftskandidatin), der dasselbe gedacht hat. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Chained - another book of the brides of the Kindred Von Dee I have read all nine of the Brides of the Kindred books and I just love them!!! By now I know what to expect in regards to the style of writing and I really like it. I have noticed certain similarities in the books and in some couples, but nevertheless each couple and each plot has its own story that doesn't leave the reader lacking in regards to the expectations. Furthermore I like that there is always a connection to the storyline and to characters of the previous books. That way you won't forget them and kind of stay in touch with the characters of the beginning of the series. I would advise to read the books in order. I really like the storylines and always look forward to the next book! Now to the Story: Maggie is an accident-prone xenobotanist on her way to the new world of Gaia. As fate will have it she has to step in for colleagues and make a trade at Yonnie Six. Unable to bear and witness the torture and enslavement of the slave Kor - the same man she is dreamsharing with - she sets him free and escapes with him. Together they encounter many adventures during their escape.

Kurzbeschreibung Maggie Jordan is not supposed to be having adventures. Her mission is to go to Gaia, a new, unpopulated world, and study the native life forms there. So how come she finds herself in on the female dominated Yonnie Six instead, rescuing a huge, muscular prisoner? The same prisoner she keeps seeing over and over again in her dreams. Korexiroth Kor, as Maggie dubs him, is a slave who spent his life fighting in the savage arenas of the Blood Circuit. He's got plenty of kills under his belt and more than enough reasons to run as soon as he gets free. But somehow he can't make himself part from the girl who was brave enough to save him from certain death. Now Maggie and Kor are on the run together, trying desperately to find someone to remove the alien device that was implanted in Maggie as punishment for her thievery of an expensive slave. The device, or Slut Button as it is called, forces Maggie to sexual excesses the shy scientist has never known before and Kor is the only one who can help her control her new urges. Kor is more than willing to help Maggie satisfy her new sexual hunger but his own appetites are not so easily satiated. For there is a dark secret, a shadow from his past that stalks him and whispers of power beyond belief if only he will give himself over to darkness. Will they find a way to return Maggie to normal? Will Kor admit how he really feels for her? Or with the shadow from his past succeed in tearing them apart? You'll have to read Chained, Brides of the Kindred 9, to find out.
