KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not for everyone....but hot for meVon witchflameWhat a book... first I read embraced....it was recommended by a friend if mine...and now? Now I am addicted... those complete season 1 is about Noel who turns from rebell to what he never wanted to be...a vampire...and his way to be one...is really dark....sexy...hot... please take my advice... if you plan to read this on a hot summernight.... take care to have enough ice cubes with you to prevent from overheating... just one question.... would the dragonvenom also work on girls? This book is called gay erotic horror...but he also has to.....a girl... if you don't like action between guys...don't read it....for the rest of you: enjoy it!!!! I will buy the 2nd season now!

KurzbeschreibungFollow Noel, a captured rebel of the human Resistance, as he endures his punishment at the hands of his supernatural enemies, the vampires. See where his fate lies. Highly erotic and extremely dark and twisted. Prepare

yourself . Ive been betrayed by someone I trusted. Because of him, I was captured by my loathed enemy: The vampires. Right now, the sun is still high in the sky, but I know when it sets, Im as good as dead. They cant wait to get their fangs into me. I guess some would say I have it coming. I did raise a lot of hell with my Resistance crew, and I was planning on raising a hell of a lot more at dawn before I was sold out by Jonah. The vampires, werewolves and dragons, have been trying to track me down for months and Id always been two steps ahead of them. \*Laughs\* I guess my number is up. I just hope they make it quick. You see, the vampires in my reality arent the romantic lot you read about in books. They dont sparkle or hang out at high schools with their teenage girlfriends. Hell no, vampires are brutal, calculating, sadistic and bloodthirsty. As a matter of fact, all of the monsters are! Thats how they were able to take over the world so easily and change an entire civilization to suit their needs. Whatever happens, I know its not going to be pretty, so Im preparing myself for the worst. May God help me. Warning: This novel contains hardcore sexual situations between men, not meant for sensitive eyes. Im talking crude, lewd and full of attitude. This series will most likely either offend you or get ya revved up. There will be no punches being pulled whatsoever, so youve been warned. Mature Adult Content meant for readers looking for something dark, taboo, sexy, and unapologetic in their paranormal erotica. This is NOT a romance.

ber den Autor und weitere Mitwirkende About Nick. About me? Hmmm, I'm just a person with a wild imagination and a love for words who was sitting around the house one day and said, "Why hasn't anyone written a book like this before?". As with every storyteller, I wanted to share mine with the world. I like my erotica dark, gritty, sexy... and even a little raunchy. I'm not afraid to go there and I hope you aren't afraid to go there with me. When I'm not writing, I love watching movies and TV shows, clubbing, biking, and hanging out with family and friends. I love life. I'd love to hear from you, feel free to send me a shout out!
