Paranormal Romance mit kleinem Cliffhanger Von Kindle-Kunde Flüssig geschriebene, etwas oberflächlich gehaltene Geschichte. Im Vordergrund steht die Beziehung von der ältesten Bellum Schwester Chloe und dem Vampir Tyrian. Daneben gibt es noch einige andere Paare, die sich näher kommen. Viel Sex, etwas Romantik und leider ein bisschen wenig Hintergrundinfo, aber alles in allem ein empfehlenswertes Buch für Fans von Paranormal Romances. Das letzte Kapitel ist die Überleitung zum zweiten Band, in dem es um Chloes Schwester Willow geht. Kleiner Cliffhanger, aber nicht so, dass ich unbedingt weiter lesen musste. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Klasse Start! Von Lara24 "Chains of Frost" ist der erste Teil der Bellum-Schwestern Reihe. Auf eine sehr spannende Art erzählt T.A. Grey die Geschichte der ältesten von drei Schwestern - Chloe. Sie ist ein Succubus und durch das Testament ihres Vaters wird ein Vampir-Krieger zu ihrem Geschützter bestimmt. Viel Sex, aber auch einige romantische Passagen. Ich finde dieses Buch klasse und werde diese Reihe auf jeden Fall weiterlesen!

Kurzbeschreibung When a will from her dead father decrees spunky succubus Chloe into the protection of the renowned vampire commander, Tyrian en Kulev, she does what any succubus would do and casts a spell. But when that spell accidentally summons an ancient demon to kill her and her sisters, she knows only one place can keep her safe--Tyrian's castle of death set in the frigid icy snows of Northern Europe. Chloe thought she'd despise Tyrian, but instead she feels a rapidly blossoming tender for him. From the scar running along his cheek, to the bitter chill in his gaze, something about Tyrian makes Chloe want to keep him close until she could learn his true colors. Leader of the Atal Warriors, Tyrian en Kulev always pays his debts. So, he resigns himself to what should be an elementary task. All he has to do is keep Chloe alive, then, debt paid. But the incredibly enticing succubus comes to him with a deadly demon trying to kill her and an alluringly upbeat attitude that invades his thoughts and soon his heart, whether he likes it or not.
