Von J Jackson Bentley : Chameleon: A City of London Thriller (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chameleon: A City of London Thriller (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich.
Unterhaltsamer Thriller Von Claudia S-A Leicht zu lesen, recht spannend, aktionsreich - gute Unterhaltung, wenn man

Spannung, Machenschaften, Morde und detaillierte Recherchen mag. Zweites Buch in dieser Reihe, jedoch ist es nicht notwendig das erste Buch zu lesen vor diesem. Es werden nur ganz wenige Hinweise zur Handlung des Vorgeschehens gegeben, die jedoch nicht wichtig sind für das Verständnis. 1 von 1 Kunden fanden die folgende Rezension hilfreich. spannender Thriller für einen Kurzstreckenflug Von oskar Ein spannendes Buch, gut zu lesen bzw. zum Verschlucken, besonders für Leute, die London als Handlungsort schätzen. Leider viele Druckfehler und Wortauslassungen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. extremely thrilling the best story every created Von TV Almost all books start with the introduction of the good guy and the bad guy / woman. At the end of the book the good guy wins. This book introduces 2 opposing figures: Dee and the Chameleon. Even though the Chameleon is an assassin and Dee (the good woman) tries to catch the Chameleon the reader doesn't look at the Chameleon only as the bad guy and feels sympathy for the Chameleon. Therefore it is absolutely open who will win: Dee or the Chameleon ? 2 good guys fighting each other ?

Kurzbeschreibung Vastrick Security are hired to keep an African Stateswoman alive for just 72 hours until she can deliver a speech that will rock the world. Not too difficult a task unless several African despots, rogue security forces and the world's deadliest assassin want her dead. The second in the deeply authentic City of London Thriller series has shocks at every turn as the plot races from London to Cuba and on to the USA. A gripping story told in around 100,000 words.
