Ganz gutVon MinelliMit haben einige Sachen nicht gefallen.Wenn ich sage was, spoiler ich hier.Mit haben einige Sachen gefallen. Zum Beispiel wie bessen die beiden irgendwann voneinander sind.Das Happy End war leider unglaublich und hat nicht zum Rest des Buches gepasst.Trotzdem empfehle ich das Buch weiter.0 von 0 Kunden fanden die folgende Rezension hilfreich. It was brilliant to 85%.Von LenaRibkaI have to calm me down first.I can't remember when I was disappointed THAT MUCH last time after finishing a book!The last 15% ruined the whole book for me.It was 5 awesome stars to 85% and 1,5 stars for the last 15%.I can't believe it!!! VERY VERY PITY.Let

me talk about the first 85%. Unusual love story. LOVE IT. Unusual main characters. LOVE IT. Unusual POV. LOVE IT A LOT. Unusual writing. LOVE IT. All this together was a real page turner and made an excellent thrilling read for me. An addictive and totally crazy mixture out of Natural born killers and Lon: The Professional. The last 15%... The good news: HEA. The bad news: it was simply BAD. Without any logic and without any sense. WHY? An appearance of some new characters that I didn't really understand, that I didn't like and didn't feel. I am not against the HEA, I am a big fan of the HEA. But if it made at the expense of the plot, the characters, all possible sanity, sense and credibility I don't need it. Spoiler****An international super assassin Frank turns into a well-behaved ordinary citizen?! I can't buy it, sorry.***Still I would highly recommend this unusual debut novel. Because 85% of the book was simply ingenious and this 85% belongs to the top 10 of the year 2013 for me.

With the entrance of a mysterious stranger, life is finally starting to look up. Unless his luck is about to run out for good. Kurzbeschreibung Vincent Sullivan is down on his luck.
