**Von Laura Moore : Chance Meeting (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chance Meeting (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fascinating bookVon Black SunTy, the daughter of a sucessful manager, grew up moreless lonely. Her only friend

was her horse and her bodyguard Sam, who understood the girl and felt sorry about her having no friend of her age. Tyler, her Dad, wanted Ty to live her life like he imagines. Ty, an adult now, is intelligent and successful too, but she can't take no more the unending orders of her dad about her life. Then she has the chance to help her childhood dream Steve with his stable. But Steve isn't keen on doing what "the rich girl" wants him to do. He thinks that Ty's arrogant and doesn't know anything about horses. To persuade the man to let her help she accepts a bet with him. So she leaves her comfortable New York - apartment to live in the house of Steve next to the stable - and to work there with the horses. Slowly the two began to approach, which is very different because Steve is so impolite that she also gets angry, but she doesn't give up. I liked the book very much, in particular Ty, a strong young lady who could be every one of us two. Very interesting are the two conflicts: Ty - Steve, which turns into conflict number two Ty (and Steve) against Ty's father.

**Kurzbeschreibung** Growing up trapped by her father's wealth, awkward Ty Stannard found freedom on horseback. A talented equestrian, she yearned to ride as well as her idol, champion Steve Sheppard. Worshiping the handsome Kentuckian, she treasures the lucky medallion he gives her the day they chance to meet. But then a nasty fall changes everything, and Ty is forced to leave her dreams behind. Now a beautiful woman, determined to live life on her own terms, Ty learns that Steve stands on the brink of ruin. Moved by memories of his kindness to her, she offers him financial backing, but Steve perceives only a selfish socialite amusing herself at his expense. In a daring move, he challenges Ty to be not only a financial partner -- but a full-time farmhand as well, expecting she'll tire of the hardships of a working stable. To Steve's surprise, Ty takes up his challenge. As they rebuild Southwind, Steve's beloved stable, they find unexpected strength and comfort in each other -- and a passion neither can deny. But their fragile love will be tested by not only those who seek to destroy what they have built, but also the insecurities and doubts that shadow their own very vulnerable hearts.
