Von Sue Brown : Chance to Be King (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chance to Be King (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hatte viel Spa beim LesenVon rainbowEine nette Geschichte, witzig und typisch Sue Brown. Die Hauptpersonen haben

kleine Macken, die sie realistischer und sympathischer rberkommen lassen.

Kurzbeschreibung2nd Edition After working nonstop for two years, actor Eric Pawlowski desperately needs a respite from his grueling schedule and the crippling migraines that come with it. Thinking that a few weeks in a secluded cottage is just the thing, his vacation gets off to a rough start when he almost mows down the only other guy who lives on the remote road. Fortunately Thomas is quick to forgive, and soon he, Eric, and Eric's two dogs are palling around like they've known each other for years. But when Eric witnesses Thomas coldly order a lost stranger off his property, he starts to question how well he knows him. Despite a mutual attraction that has Eric cursing every time a well-meaning member of the nearby small town interrupts their attempts to get intimate, Eric wonders if acting on his desire for Thomas will get him involved in a situation he shouldn't be in. When his rented cabin catches fire in the middle of the night and the firemen call it arson, it confirms Eric's suspicions. To keep Eric with him, it's up to Thomas to come clean about who he is... and his involvement in a decade-old web of tragedy and revenge into which Eric has unwittingly walked. First Edition published by Silver Publishing, 2010.
