berragender Abschluss der Trilogie - ich liebe diese Katzen Von Oliver Von Spreckelsen Intrigen, Kmpfe um die Macht, Aliens, deren Motivation man nachvollziehen kann, und ein Zielpunkt auf den sich alles verdichtet (der Heimatplanet der Hani). Das Buch ist extrem spannend und hervorragend geschrieben. Hchste Empfehlung. Allerdings sollte man die anderen Romane des Zyklusses vorher gelesen haben.

Kurzbeschreibung The fourth volume of the Chanur saga, set in the Alliance-Union universe, featuring the alien spaceship captain Pyanfar Chanur and her human crewmate Tully. When those strange entities called "humans" sent their first exploration ship into Compact space, the delicate power balances of the seven alien races of the Compact were catastrophically disrupted. And by giving shelter to Tully, the only human survivor of his mission, Captain Pyanfar of *The Pride of Chanur* jeopardized the safety of her ship and her crew by placing them at the center of a deadly political maelstrom. Now, with a new fleet of human ships approaching Compact space and with the Meetpoint and other Compact stations nearly destroyed by rival factions, Pyanfar and her crew face the ultimate threat to their species. For their home planet lies in the path of an impending space battle which could wipe their world off the galactic maps. Will Pyanfar be able to avert disaster for her homeworld and win herself the ultimate reward a treasure beyond measuring an exclusive trade contract with Earth?
