Von C. J. Cherryh : Chanur's Legacy: A Novel of Compact Space before purchasing it in order to gage whether or

not it would be worth my time, and all praised Chanur's Legacy: A Novel of Compact Space:

KurzbeschreibungThe final volume of the Chanur saga, set in the Alliance-Union universe, featuring the alien spaceship captain Hiffy Chanur. Hiffy Chanur, once a member of her aunt's crew on *The Pride of Chanur*, is now captain of her own vessel, *Chanur's Legacy*. It should have been the ideal existence for Hiffy, her fondest dream fulfilled, but instead the young captain's increasingly hard-pressed to take care of her ship's business. So when Meetpoint's stationmaster offers her a million credits to transport a small, mysterious, "religious" object, it seems like a golden opportunity perhaps even too good an opportunity.... Yet despite her misgivings, Hiffy feels it's a commission she can't turn down. But soon she and the *Legacy* are caught in an ever-tightening web of intrigue. And only time will tell whether the young captain can determine who is her ally and who is her enemy in this deadly game of interstellar politics....

Synopsis A game of interstellar politics in which Hiffy Chanur and her vessel *Legacy* are commissioned to transport a small, mysterious religious object. The price is extremely generous, perhaps too generous.
