**Von Len Deighton : Charity (Samson)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Charity (Samson):

Kurzbeschreibung Bernard Samson returns to Berlin in the final novel in the classic spy trilogy, FAITH, HOPE and CHARITY Bernard continues to chip away at the mystery of his sister-in-law Tessa Kosinskis death in Berlin on the crucial night when his wife Fiona was brought out of the East. Fighting to uncover the truth, he must also confront the key relationships in his own life: Fiona is still far from stable now that she has returned to work, and their children remain in the clutches of his wealthy and manipulative father-in-law. Meanwhile, Werner Volkman, Bernards friend since childhood, is reluctant to get involved in Bernards crusade. A wonderful depiction both of covert operations and office politics, Charity is packed with action, incident and intrigue, bringing to a triumphant conclusion a series of ten novels that represents one of the great achievements of modern English fiction. This reissue includes a foreword from the cover designer, Oscar-winning filmmaker Arnold Schwartzman, and a brand new introduction by Len Deighton, which offers a fascinating insight into the writing of the story..de After steering master spy Bernard Samson through Faith and Hope, Len Deighton wraps up his trilogy with a predictable dose of Charity. Although the beleaguered spook has plenty of intrigue to deal with, this installment seems more diffuse and less plot-driven than its predecessors. Still, Deighton fans will probably enjoy the resolution of several outstanding cliffhangers, including the likelihood of a decent retirement package for the protagonist. Pressestimmen 'Here is the master of espionage writing at his brilliant best... an authentic, compelling read' Mail on Sunday 'Deighton's prose is tough, clean and compelling... storytelling of this high quality will never go out of fashion' Sunday Express 'Like the vintage Bentley, Deighton's prose ... runs extremely smoothly' Times Literary Supplement
