Von Angela Hunt, Angela Elwell Hunt : Charles Towne (The Keepers of the Ring Book 5) (English Edition)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Charles Towne (The Keepers of the Ring Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another wonderful book!Von Ein KundeI enjoyed this book so much. Toward the end I couldn't read fast enough, I couldn't

wait to see what was going to happen. I too wish it wasn't the end of the series. It certainly could be continued, the ring could be passed on again. I will now start another series by Angela Hunt, I hope it is as good! 0 von 0 Kunden fanden die folgende Rezension hilfreich. An exciting novel Von Ein Kunde I thought this was one of the best in the series, with exciting reading all the way through. Is it really the last in the series? I just read that from the previous book review. That's too bad, I was looking forward to more! I'll have to look for some more of Angela Hunt's books. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This was a great book to end the series. Von Ein Kunde This was a wonderful book; filled with romance, energy, and spiritual meaning. I just wished there were more to come.

Kurzbeschreibung "An unforgettable journey . . . [that] will certainly intrigue and encourage!" -- Beverly LaHaye "Powerful stories rich with historical detail and compelling characters." -- --Francine Rivers, novelist "Angela Elwell Hunt single-handedly sets a new standard for inspirational historical romance with her high quality of writing." -- Romantic Times, May 1998 Concluding the Keepers of the Ring series, CHARLES TOWNE follows the exploration and colonization of America as Rachele Bailie seeks to find her father, the elusive Mojav Bailie.

Autorenkommentar The thrilling conclusion to the Keepers of the Ring Series Could Rachele's father really be an Indian? All her life, Rachele Bailie has believed that her father was an English clergyman killed in an Indian attack. But her mother now confesses to Rachele that her father, Mojav Bailie, still lives--and that Indian blood courses through his veins. "Find your father," her mother pleads from her deathbed. Intrigued by the story and desperate to understand the truth, Rachele agrees. In her quest to locate Mojav, she boards a ship bound for Boston, but the ship is attacked by the dread pirate Bettencourt. Finding herself face-to-face with the notorious renegade, Rachele does the unthinkable . . . and finds herself caught up in an adventure beyond her wildest imagining. ROMANTIC TIMES MAGAZINE GIVES CHARLES TOWNE A GOLD MEDAL! "This breathtaking romance stands on its own with vivid description, a powerful story line and extraordinary characters. Angela Elwell Hunt single-handedly sets a new standard for inspirational historical romance with her high quality of writing." ROMANTIC TIMES, May 1998.
