Von Terry Ward Tucker : Charleston's Elegant Sinners: Book #1 of Elegant Sinners Murder Series Set in Charleston (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Charleston's Elegant Sinners: Book #1 of Elegant Sinners Murder Series Set in Charleston (English Edition):

Kurzbeschreibung If Charleston were wine, it would be a dry claret. Smell it, savor it as that first sip blooms on your tongue like a red, red rose. Do you feel the warmth as it seeps into your system? If you do, you've just had your first deception, for Charleston will entertain you, entice and seduce you, but she will never, ever warm you. It is here in the moral ruins of the Holy City, that Arlena Prince loses everything, only to find loss can bring redemption. Go with her now to paradise, to Old Charleston by the Atlantic. But be wary, for though Arlena is saved in the end, you may not be so lucky.

CHARLESTON ELEGANT SINNERS MURDER SERIES: Book #1 - Charleston's Elegant Sinners Book #2 - Murderess of Sullivans Island Although you may enjoy each as a stand-alone, MURDERESS OF SULLIVANS ISLAND is also sequel to CHARLESTON'S ELEGANT SINNERS. Book #3 is in process, no title yet. Stay in touch to keep informed.

Autorenkommentar Yes, the sequel to Elegant Sinners is coming. Hello, I'm Terry Ward Tucker, author of Elegant Sinners. (GO AMAZON!) I thank every one of you readers who have had such a good time with Elegant Sinners. I love you for getting a kick out of my characters and setting. Isn't Charleston the coolest! If I didn't care so deeply about that quaint old place, I would not get up at three a.m. every day to work on the sequel to E.S.! Here's the deal - If I write it, you have to read it. Then none of us will get any sleep! Love, Terry P.S. Pass Elegant Sinners around. Word-of-mouth is the very best thing that can happen to it. Besides, it's fun gossiping among ourselves about Arlena and Stuart and all their scalene friends and enemies. That's what I do with everyone who comes to my signing tables. These characters are REAL to me! Thanks and more thanks, T.
