Von C W Lovatt : Charlie Smithers: Adventures Downunder (The Charlie Smithers Collection Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Charlie Smithers: Adventures Downunder (The Charlie Smithers Collection Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Escapism at its finest. Von Reggie Having read the first two in the series, I knew what I wanted with part three, and I wasn't disappointed. Charlie is as charismatic as ever, dutiful, honest and chivalrous, and the characters he mixes with interesting, flawed and all very human. I think this is possibly the best of the three up to now, though all of them were entertaining in their own right. Charlie's antipodean exploits are first rate escapism and I highly recommend the book to anyone who needs a bit of Down Under entertainment.

Kurzbeschreibung Book 3 of the best-selling Charlie Smithers Collection Flashman never experienced anything like this, not even remotely! Whether its because of his gift of the sight, inherited from his dour old Hebridean mum, or simply a sorely battered noggin (a result of his masters appalling aim) the Australias hold one of Charlie Smithers most intriguing adventures to date. Pirates, great white sharks, mermaids, scorching deserts, cannibals and a small army of sadistic bushrangers are only part of the story. A mysterious gunslinging sheila with emerald green eyes, and a shocking vocabulary, is another adventure all on its own. And throughout the tale there is the innocuous message from a ghost from Charlies past: You must learn to forgive
