start until you have plenty of time to read! Von Detra Fitch Awesome story! Just a touch of the super natural (in the necklace) and combined with modern day computer geniuses (I LOVE computer nerds!) makes an excellent story for everyone! I could not bring myself to stop reading, so I finished it in less than a day! Be warned, don't start this one until you have plenty of reading time ahead of you! Highly recommended!

Kurzbeschreibung Professional mountaineer Lily is building a new life for herself--in ways she never would have expected. She's traded the mountain wilderness of Wyoming for the lush river country of the deep South, where she is busy restoring a fine old Natchez, Mississippi house. Fearing foul play, she is determined to use her wits--and her will--to find him, embarking on a dangerous journey into unfamiliar territory. Though tested as never before, Lily knows that somehow she is being guided by a source she cannot explain--one that will help her find the courage to hold onto everything that's dear. .
