Fantasy Books Forum, I was, of course, sceptical. That had happened in the past, that somebody suddenly logged on to the forum and posted in 5 threads that he "had come across the most marvellous fantasy book by chance on " and so on ... and only a few - but glowing - reviews online yet that sound suspiciously identical. In this case, however, when I read the book, I was truly impressed by its quality. Make no mistake, it is not perfect, it has some rough spots, the "red line" is not always easy to follow or even understand, and some plot elements seems a bit complex so that I am anxious whether Will Wight does have it in his grip to make them all play out well over the course of his trilogy. But, other than that, it was a good read, had many fresh and interesting ideas and I found myself enjoying and devouring it. I will certainly come back for the second instalment. Best regards "Derk of Derkholm" from [...] 3 von 4 Kunden fanden die folgende Rezension hilfreich. Disappointed Von John Paul Walsh The magical system and the world seemed interesting, but the writing killed me. I had to stop after a quarter of the book. Every sentence is written in the form of 'he opened the door, he took out his sword, she looked at him in surprise, they fought, etc' Everything is explicitly spelled out, and had no tension. It's easy to be a critic I'm sure the book is way better than anything I could ever write, but I would advise reading a long sample before buying. 0 von 0 Kunden fanden die folgende Rezension hilfreich. house of blades Von Baur This book takes you into a world full of imagination, passion and great characters. But be careful it's highly addictive.

Kurzbeschreibung Simon can only watch, helpless, as his family is killed and his friends captured by enemy Travelersmen and women who can summon mystical powers from otherworldly Territories. To top it off, another young man from Simon's village discovers that he's a savior prophesied to destroy evil and save the realm. Prophecy has nothing to say about Simon. He has no special powers, no magical weapons, and no guarantee that he'll survive. But he sets off anyway, alone, to gain the power he needs to oppose the Travelers and topple their ruthless Overlord. It may not be his destiny, but Simon's determined to rescue his fellow villagers from certain death. Because who cares about prophecy, really?
