**Von Nicholson Baker : House of Holes (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised House of Holes (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. House of Holes Von Cora Neumann Die Literaturkritik bemngelte eine fehlende Handlung. Es ist einfach ein lustig schweinisches Buch, dessen Handlung fantasievoll von mrchenhaften Vorgngen vorangetrieben wird. Kein Anspruch,

nur Spa.

Kurzbeschreibung In the New York Times bestseller *House of Holes*, Nicholson Baker, one of the most beautiful, original, and ingenious prose stylists to have come along in decades (*The New York Times Magazine*), returns to the terrain that made him famous with a gleefully provocative, off-the-charts erotic novel that is unlike anything you've read: a filthy tour de force (*Time*). Shandee finds a friendly arm at a granite quarry. Ned drops down a hole in a golf course. So begins Nicholson Baker's fuse-blowing sexual escapade: a modern-day Hieronymus Boschian bacchanal set in a pleasure resort where normal rules don't apply. *House of Holes*, one of the most talked-about books in recent memory, is a gleefully provocative novel sure to surprise, amuse, and arouse.

Pressestimmen Los Angeles Times Summer 2011 Reading List The Millions Most Anticipated Books of 2011 List New York Magazine "Anticipated Summer Book" "Hoo-boy, people, get ready for this book. It is going to be Talked About. There will be fistfights in the hallways of your local public library... It made me hoot out loud every other page or so, and on a few occasions my mouth actually, literally dropped open. Just get ready." -Sam Anderson, NYTimes.com "Even a galley of Nicholson Baker's new novel, 'House of Holes: A Book of Raunch' (due in Aug.), is hot enough to burn your fingers." -Dwight Garner, New York Times critic via Twitter "arguably [Baker's] most inventive [book]." -New York Observer "Baker returns to the eroticism of his earlier *Vox* and *The Fermata* but kicks it up about a dozen notches." -Kirkus "[U]nderneath the pornographic veneer of Baker's writing is an engaging commentary on society's distinction between sexual and aesthetic experience... Purposefully explicit and outlandish, Baker playfully critiques the modern, mechanical portrayal of sex with unrestrained erotic experience... this open expression of eroticism [is] refreshing and honest." -Library Journal
