Tonight I finished season 2.... and believe me...I am sooo looking forward to season 3... normally I am a fast reader....but this took has to be enjoyed... so I just allowed myself....2-3 chapters a day...the dark and sexy book lasted longer and I could look forward to every dark night.. theoden...evander....tylendel....Noel....deacon... all of them...wonderful creatures of the night....all of them enjoying a guy over any woman....and damn! Nicholas wrote the tales about the vamps...dragons...werewolves... with doo much passion... I really enjoyed every single sentence! If you like m/m action... dark...hot..and vamps who don't sparkle....werewolves who don't save babies.... this book is for you....and you shouldn't miss it!

Kurzbeschreibung
Lord Thoden has been given orders by King Ara to carry out under his new position, which goes

against his desires. Noel, on other hand, has to figure out how to navigate his new life as an enforcer under the King's merciless decree and Marco's sadistic training. Highly erotic and extremely dark and twisted. Prepare yourself .Warning: This novel contains strong adult content not meant for sensitive eyes. It will be filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it wont apologize for hurting your feelings, either. Youll find no fluff and ruffles here. The vampires are not misunderstood, hopeless romantics looking for love. The werewolves are not cute and cuddly and the dragons arent the ones from your childhood. This is NOT a romance.KurzbeschreibungLord Thoden has been given orders by King Ara to carry out under his new position, which goes against his desires. Hmmm, I'm just a person with a wild imagination and a love for words who was sitting around the house one day and said, "Why hasn't anyone written a book like this before?". As with every storyteller, I wanted to share mine with the world. I like my erotica dark, gritty, sexy... and even a little raunchy. I'm not afraid to go there and I hope you aren't afraid to go there with me. When I'm not writing, I love watching movies and TV shows, clubbing, biking, and hanging out with family and friends. I love life
