**Von Jax Garren : How Beauty Loved the Beast (Tales of the Underlight)** before purchasing it in order to gage whether or not it would be worth my time, and all praised How Beauty Loved the Beast (Tales of the Underlight):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good endingVon -KundeI really enjoyed the trilogy, especially the progressing relationship between the two main characters.One thing keeps nagging me though: this is a modern interpretation of "Beauty and the Beast" and usually

the Beast needs to find redemption for his actions, his character. Now, Hauk was a good guy, before his horrible accident and certainly after. How come he needs redemption (not saying what it is, too spoiler-y) and when it is granted why is it dependant on Jolie's love? Why wasn't it granted on his actions alone? He has always been the good guy, selfless to the extreme. Shouldn't that have earned him his reward? Apart from that, the books were enjoyable though I think the story line regarding the war between Ananke and the Underlight could have been handled a little better, it seemed more like a means to an end. But for me the focus was on Jolie and Hauk anyway; I liked how Jolie went from shocked at the look of him to genuinely loving him throughout the series. She couldn't look past his scars right away, it was a believable process for her. Hauk, now, his reactions were just heart-breaking to me. The way he believed that he was not good enough for her, that someone as beautiful as Jolie deserved better than him...it took him right up until the end to finally believe that he deserved being loved. Enjoyable read with some room for improvement. Give it a try.

Kurzbeschreibung Book three of Tales of the Underlight It's all been leading to this. Jolie Benoit has become a skilled agent of the Underlight, relying on her savvy to complete assignments while Sergeant Wesley Haukon was out of commission. But an unexpected clue to the Order of Ananke's diabolical scheme rattles Jolie, and she turns to Hauk for comfort. It's been years since Hauk took comfort from the touch of another person, though his love for Jolie is deep and powerful. Uncomfortable in his skin, scarred by a terrible fire, he is unable to give in to the pleasures that Jolie so desperately wants to grant him. Meanwhile, the Order is lurking in the shadows and when they strike, the blow is swift and terrible. Hauk and Jolie scramble to fight for their community, but with the future of the Underlight threatened, no one is safe. And Hauk will never be the same. Discover how it all began in *How Beauty Met the Beast* and *How Beauty Saved the Beast*. 73,000 words
