Warum gibts das nicht in deutsch?Von SVenomDie Geschichte ist, wie sooft beim Thema Zwangsfeminisierung in Kombination mit Cuckolding recht trivial.Ehemann bringt es nicht. Frau sucht sich Liebhaber. Der ist gleichzeitig der Chef vom Ehemann. Beide feminisieren den Ehemann. Dabei gibt es viele Erniedrigungen und am Ende sind sogar die

Kronjuwelen ab. In englisch findet man solche Geschichten in hnlichen Varianten zu hinderten im Netz und muss dafr nicht extra bezahlen. Ich fand den Preis aber Ok und hab zugegriffen. Bei gibt es ja mittlerweile eine recht groe Auswahl an englischen Kindle Bchern zum Thema Sissifikation. Diese Geschichte hier ist meiner Meinung nach gut geschrieben und auch fr den recht gut zu lesen, der nur ab und an mal was in englisch liest. Erwarten drft ihr aber nicht zu viel explizites. Der Schwerpunkt liegt hier mehr auf die erzwungene Umwandlung und die Erniedrigung der Hauptperson. Ich fand das sehr anregend ;-)

Kurzbeschreibung FEMMED TO PLEASE When Nikkis wife announces that shes having an affair, he can hardly believe what hes hearing. Surely, she must be joking! Maybe he should never have admitted how the idea of her being with another man turned him on? Why, youre turned on even now, Pam grinned, pointing her pretty toes at the tell-tale evidence bulging in Nikkis skimpy panties. Is she just playing along with the fantasy--or has Pam taken the fateful step from fantasy to reality? Nikki learns the answer soon enough when he meets his wifes lover. Whats worse, Nikki is introduced to Mr. Frazier dressed like a girl. Pam and her lover are ready to take the next step in Nikkis radical feminization. But is Nikki? Ready or not, Nikki is about to begin the transformation into the perfect little sissy wife.
