Von Gabriella Lepore : How I Found You (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised How I Found You (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. I LOVED THIS BOOK!Von Flavia RuehlThis book to me is very special because it's different from anything I've ever heard of or remotely read. I like the dual point of view and I like the way the author writes. But only when I reread the title to add it to goodreads did I decide to give it 5 stars and that is because I love the name in combination with the

end of the book which by the way was my absolute favorite part.

Kurzbeschreibung Sixteen-year-old Rose arrives at sleepy, remote Millwood expecting to spend a quiet summer with her aunt and uncle on their estate. But after a series of dark and disturbing dreams, and the surprise arrival of charming brothers Oscar and Caicus Valero, her world is thrown upside-down. What are the brothers hiding? And what is it about Oscar that is so familiar? Before the summer is out, Rose will be forced to confront her destiny, even if it means facing the demon of her dreams.
