gnhaVon M.J.well... the basic idea of the story is nothing new and nothing bad (young employee falls in love with handsome, rich an famous shareholder). but i did not like yanna as a character and constantijin neither. the story did nothing to change my opinion about the characters. the reason why yanna was still a virgin before she met constantijin was simply the stupest thing i've read in a long long time. and it didn't took him longer than like one minute to get in her pants. the rest of the series wasn't better... i only recommend the series to very young girls, although they should nor read the last scene;)0 von 0 Kunden fanden die folgende Rezension hilfreich. Von LenaRibkaNachdem ich den ersten Teil kostenlos heruntergeladen habe, konnte ich an den restlichen Teilen nicht mehr vorbei kommen.Die restlichen 2 Teile habe ich dann dazu gekauft, aber das war mir auch

wert. Deshalb ist diese komplette Trilogie die beste Wahl. Ich habe die Story richtig genossen! Wenn Sie spannende Liebesgeschichte mit viel Erotik und toller Chemie zwischen den "Hauptdarstellern" mögen, wenn Sie Fan von FSOG sind, werden Sie dieses Buch auch lieben! Sie werden richtig überrascht wie gut das Buch ist und wie toll Marian Tee schreiben kann!

Kurzbeschreibung 24-year-old Yanna Everleigh is an old-fashioned virgin who believes in dates before kisses and courtship before relationships. She's also the idiot who mistakes the sexy beautiful man sitting next to her on a job interview as a fellow recruit. But as it turns out, he's Constantijn Kastein, Netherlands #1 playboy and the billionaire CEO who gives Yanna her first intimate taste of pleasure...on the same day. Yanna acts the prude, the tease, and everything else in between to keep Constantijn at arms length. But it doesn't work and Yanna only becomes more hopelessly entranced with her moody suitor, never mind how his complicated past makes him incapable of love. As Constantijn continues to woo and seduce, Yanna knows she must make him realize it's not enough he's offering her the world in exchange of owning her body and soul. Her Dutch billionaire must realize that her surrender has no price...because he already has her heart.
