Von Customer Tessa Dare writes stories that are hilarious and fun and cheery and charming. Read anything else by her! And all in all, this isn't the \*worst\* free novella ever. Read more by Tessa Dare! My favorite: A Week to Be Wicked (spindle cove) 2 von 2 Kunden fanden die folgende Rezension

hilfreich. Tessa Dare kann definitive besseres abliefern... Von maMadame... leider ist diese Kurzgeschichte zwar spannend, teilweise, aber doch eher eine in die man zu lange bentigt, um rein zukommen. Dies ist wiederum meist bei Tessa Dare der Fall, aber dann hat sie einen gepackt und bei einem Buch mit mehr als 350 Seiten ist ein Inger Anfang dann egal. In einer Kurzgeschichte strt mich das ungemein. Bei dieser Geschichte htte es bei dem schwierigen Character des Helden doch mehr bentigt, um ihn besser zu verstehen oder auch um ihn zu mgen und vorallem nachzuverfolgen, warum die Heldin ihm 4 Jahre lang nachtrauerte und ihn jetzt auch noch will, trotz seines schlechten Verhaltens ihr gegenber nach seiner Rckkehr aus dem Krieg. Und in wie weit die Heldin sich in den 4 Jahren vom Mdchen zur Frau verwandelt haben soll, wird von ihr zwar stndig behauptet, aber warum das so ist, oder sein sollte, bleibt vllig auen vor. Es fehlt einfach der Vergleich vom Gestern zum Heute. Alles in allem nicht die beste Geschichte aus der Feder Tessa Dares, weil mir fr diesen Plot einfach zu wenig geliefert wird um ihn richtig zu mgen. Es ist nicht schlecht, aber im Vergleich zu sonstigen Bchern von TD auch nicht wirklich gut, ihre Bcher sind sonst eben viel besser, deshalb bin ich wohl auch kritischer als sonst. Zumindest knnte man sagen, wem dieses Buch gefllt, der wird ihre Bcher wirklich lieben! Wurde schon mal verffentlicht als "The Legend of the Werestag". Fazit: Fr umsonst eine ganz nette kurze Lektre. Fr Tessa Dare Kenner eher etwas enttuschend, also nicht zu viel erwarten. Eben nicht schlecht 3-4 Sterne. Die Geschichte ist auch als Free-PDF auf der Autoren Internetseite zum Herunterladen, sofern sie hier nicht als umsonst angeboten wird, wie von der Autorin gewnscht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. An enjoyable little read Von Silvia I quite enjoyed reading this novella (THANKS for making it a free download!) but I will readily admit that I might have frowned upon a few things here and there had I not known this was Tessa Dares first published work. But I did know when I started reading and must say that if this was the work of any other author, I might not even thought about what was missing, or not quite perfect. Well, its a novella with all of a novellas usual problems. There simply isnt room for a satisfying story or character development, or maybe there would be enough room if Ms Dare hadnt tried to squeeze as much into it as possible the MCs past, explanations of what has changed since then, witty bantering, the legend, what is the relationship amongst the members of this small group, etc etc. Todays Tessa Dare would have turned this into one of her delightful novels instead of squeezing it all into a novella format yesterdays Tessa Dare was still stretching her wings. As for the characters, I must admit I couldnt really connect with either Cecily or Luke dont know why, but I just couldnt. I liked Portia and Brooke a lot better and I wonder if theres a book dedicated to them. I need to take a closer look at all of Tessa Dares other novels! In any case, I cant stress enough how Tessa Dare is the author who made me re-discover historical romance and for this alone, shes turned me into a fan. Im only giving this three stars because obviously, it cannot keep up with her more recent novels, but its a pleasant read nevertheless, an easy read for the daily commute to and from work and I did enjoy it. Only, not as much as Romancing the Duke, or A Week to be Wicked, for example :-)

Kurzbeschreibung She's on the hunt for a hero... Luke Trenton, Viscount Merritt, returned from war a changed man. Battle stripped away his civility and brought out his inner beast. There is no charm or tenderness in him now; only dark passions and a hardened soul. He has nothing to offer the starry-eyed, innocent girl who pledged her heart to him four years ago. But Cecily Hale isn't a girl any longer. She's grown into a woman--one who won't be pushed away. She and Luke are guests at a house party when a local legend captures their friends' imaginations. While the others plunge into the forest on a wild goose...er, stag chase, Cecily's on the hunt for a man. She has only a few moonlit nights to reach the real Luke...the wounded heart she knows still beats inside the war-ravaged body...or she could lose him to the darkness forever. This is a novella of approximately 20,000 words, or 80 pages. It was originally published under the title The Legend of the Werestag. Kurzbeschreibung She's on the hunt for a hero...
