KurzbeschreibungHow to Get Your Wife to Cuckold You is a How To book written by a real life cuckold. Have you found your interests swaying towards pornography where a wife dominates her husband sexually? Do you have visions of your wife becoming more sexually dominant and being with men other than you? Well endowed muscular men... perhaps while you watch or even participate (if she lets you)? Perhaps you would love to have a hotwife and yet find yourself thinking your wife would never be that kind of sexy cuckoldress... This book will give you proven methods and ideas that should allow you to transform that housewife of yours into a dirty but sexy hotwife or cuckoldress. These methods not only worked for me but can be used on any type of women from the most conservative church going women to the free spirited liberated women.KurzbeschreibungHow to Get Your Wife to Cuckold You is a How To book written by a real life cuckold.
