BRAVA! Von Detra Fitch Shanna Whelan is a dentist whose life has turned upside down. After surviving a massacre by the Russian mafia, Shanna testified against them. Yet even the Witness Protection could not keep her safe afterward because those hunting her are vampires. Ivan Petrovsky is a Russian vampire determined to collect the bounty on Shanna's life. When Shanna is rescued by his nemesis, Roman, it becomes personal. Roman Draganesti is the CEO of Romatech Industries. He is the creator of synthetic blood which has saved the lives of mortals around the globe. Unknown to mortals, he is also the master of the largest coven in North America and the synthetic blood is used by vampires so they have no need to bite mortals any longer. Roman's group is looking for ways to help mortals and vampires co-exist. So far, mortals are still unaware that vampires are real. It would be nice to keep it that way as long as possible. When Roman loses one of his fangs due to sinking his teeth into something he should not have, he goes to the only dental clinic open during the night. He finds the dentist fighting for her life and rescues her. But once Shanna fixes Roman's fang, how can she be sure her life will not be forfeit?***** A spicy mix of good vampires, bad vampires, and the mortals who help them. I found this story to be fun, entertaining, and HOT, HOT, HOT! Author Kerrelyn Sparks brings the creatures of the night to life (pun not intended) and makes it seem realistic and normal. This author is a gem in the Super Natural genre. *****Reviewed by Detra Fitch of Huntress Reviews.17 von 17 Kunden fanden die folgende Rezension hilfreich. Liebe mit Biss Von Andrea Maier Was macht Frau wenn sie zwischen zwei beln whlen mu? Soll sie dem hinreissenden Fremden, der sich seltsam benimmt und eine Wolfszahn implantiert haben will, oder den grausamen Mafiakillern trauen? Eines scheint so schlecht zu sein wie das andere, aber die Wahl fllt auf den Fremden und somit die Liebe ihres Lebens. Der Fremde, Roman, ist ein Vampir und Tycoon mit groem Industrieunternehmen, das auer synthetischen Blut auch noch Blut mit diversen Geschmacksrichtungen fr die gesamte Vampirwelt herstellt. Zwei Welten prallen aufeinander und unfreiwillig ergeben sich sehr viel komische Situationen. Ich habe mehrfach herzlich gelacht und kann dieses Buch nur jedem empfehlen. Man darf nur kein "ernsthaftes" Buch zum Thema Vampir erwarten, sondern eher eine hinreissende Liebesgeschichte mit einem nicht ganz alltglichen Protagonisten.24 von 25 Kunden fanden die folgende Rezension hilfreich. Sehr witzig mit sympathischen Charakteren Von Ein Kunde Das Buch um die Zahnrtin, die auf der Flucht vor der Mafia ausgerechnet von einem Vampir gerettet wird, dem ein Zahn ausgebrochen ist, ist umwerfend witzig. Die Kriminalgeschichte ist genauso interessant, wie der Entwurf einer Welt, in der die modernen Vampire Kunstblut in verschiedenen Geschmacksrichtungen trinken und eigentlich nur in Frieden leben wollen, whrend die traditionellen Vampire weiterhin morden wollen und deshalb Krieg gegen die Gegenseite fhren. Man fge ansprechende Charaktere und eine Romanze hinzu und schon hat man einen der unterhaltsamsten Vampirromane der letzten Jahre. Insofern warte ich gespannt auf eine Fortsetzung. Dieses Buch ist auf jeden Fall zu empfehlen, wenn man humorvolle Vampirromane im Stil von Katie McAllister oder Lyndsay Sands mag. "How to marry" liegt im Stil etwa zwischen beiden Autoren: Sehr gute Qualitt mit schrgem Humor.

Kurzbeschreibung So what if he's a bit older and usually regards a human female as dinner, not a dinner date? Yes, Roman Draganesti is a vampire, but a vampire who lost one of his fangs sinking his teeth into something he shouldn't have. Now he has one night to find a dentist before his natural healing abilities close the wound, leaving him a lopsided eater for all eternity. Things aren't going well for Shanna Whelan either...After witnessing a gruesome murder by the Russian mafia, she's next on their hit list. And her career as a dentist appears to be on a downward spiral because she's afraid of blood. When Roman rescues her from an assassination attempt, she wonders if she's found the one man who can keep her alive. Though the attraction between them is immediate and hot, can Shanna conquer her fear of blood to fix Roman's fang? And if she does, what will prevent Roman from using his fangs on her...**Kurzbeschreibung** So what if he's a bit older and usually regards a human female as dinner, not a dinner date?
