Von Sloan Parker : How to Save a Life (The Haven Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Save a Life (The Haven Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertained me wellVon SunneA book that had me glued to the pages despite it has some flaws.At first I got a bit annoyed with Kevin - always surfing on his phone, even while talking to others. And the klutziness was overpronounced, too much.And there are some serious flaws in the story, for example the way the bad guy dissapears -

not going to tell how but it was not really logical. And my pet-peeve got only slightly tickled because Walter actually got someone to take care of Charlie, the dog. I hate when dogs are involved but their needs ignored. I just wondered how Seth did it before. But nonetheless I liked the whole story, the MCs were good and hot together and I wondered how everything could be solved. The writing was fluent and entertaining. I was relieved that the guys made it. I definitely want to read about Seth. It entertained me well (and I'm picky) so, well, let's say 4 stars. 0 von 0 Kunden fanden die folgende Rezension hilfreich. very exciting story Von Customeralthou it was very exciting it was also painful to read how cruel the psycho in this story was, it wasn't al, about ot sex but also how a man came to find his true self and I'm really glad he found it ^^

Kurzbeschreibung Passion ignites when a serious ex-cop and a klutzy reporter--who's just accepting that he's gay--form an unlikely alliance to save the lives of several missing men. Reporter Kevin Price has a knack for tripping over his own feet. And everyone else's. He's in over his head undercover at the Haven, a swanky gay sex club, determined to find out why members of the club keep vanishing. Five minutes inside and he can no longer deny the truth about his sexuality. He turns to the one man he can't get out of his head, the sexy ex-cop handling security. Too bad Kevin doesn't trust cops. Not since the only night he let himself be with another man. Walter Simon doesn't do the club scene anymore. Not since he found love and lost it. That doesn't mean he'll let anyone hurt more innocent gay men. Even if that means going head-to-head with the klutzy, closeted, much-younger reporter. Kevin has information about the disappearances. Better to keep him close. And safe. Neither is at the club to hook up or fall in love. Now they must work together amid their growing passion in order to uncover the truth before more men disappear. Note: How to Save a Life features Walter Simon, a secondary character from MORE, but can be read as a stand-alone story. This book contains explicit sexual content and graphic language.
