**Von Kristin Harmel : How to Sleep with a Movie Star (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Sleep with a Movie Star (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. Too good to be trueVon HappyFaceThis is a lovely litte fairy tale - a story just too good to be true. When we meet Claire, she is a top celebrity journalist in an office with Margaret, her boss and editor-in-chief who seems to have no clue, "the triplets" Sidra, Sally and Samantha, three co-workers who try to make her life in and out of the office hell and Wendy

her co-worker and best friend. Claire has a couple of assignments on her desk i.e.: "Ten reasons to have a one-night-stand" and then an interview with Hollywood's no 1 movie star Cole Brannon. Her love life is at it's all time low - her boyfriend is a novelist (at least that's what he keeps telling her), who needs to stay at home and write and Claire does everything she can to help and assist him. She works long evenings and when she comes home he's either too tired or already asleep when she is thinking about a little action in their bedroom. However, she hopes he will propose to her shortly. When the day of the interview with Cole Brannon comes (of course on a Saturday morning, when she had intended to have some private time with Tom, her boyfriend), she meets the nicest man she's ever met in her life for brunch, low key, friendly, beautiful. On top of that the interview runs better than expected and she can write it up afterwards in her office in no time, arriving home earlier than planned. What a bugger...she finds her boyfriend in bed with another woman and from there on her life seems in turmoil. She coincidentally meets Cole Brannon the same evening in a little bar and gets so drunk, that he takes her to his hotel to spend the night. When she wakes up the next morning, this guy is being so friendly to her and she is so ashamed that she just wants to leave. Cole turns out to be the real gentleman and grabs her some food and follows her out to the taxi. Sure enough they are being seen and photographed...Are you interested? Read the book! It is funny, warm-hearted and just something that will keep you smiling and hoping for that knight in shining armour!

Bediente sich vieler Klischees ... Von Helen Q.... was nicht heien soll, dass es mir nicht gefallen hat. Ich finde, wenn man sich die Storyline ansieht, wei man schon, dass man nicht allzu viel literarischen Hintergrund, sondern bunte und fabelhafte Unterhaltung zu erwarten hat. Mir hat dieses Buch wirklich gefallen. Auch der Schreibstil der Autorin ist einfach s, wobei die Protagonistin mir an manchen Stellen ein wenig zu naiv und unrealistisch agierte. Aber wie bereits erwht, man sollte im Vorherein wissen, auf welche Art Buch man sich mit diesem Kauf einisst. Alles in allem jedoch ein Lesespa fr - meine Verhltnisse - kurze Zeit (habe gerade einmal einen Tag gebraucht). 4 von 5 Sternen -- u. a. fr den charmanten Hauptdarsteller.

Jakob Ich habe mir dieses Buch gekauft, weil ich schon einige andere deselben Verlages gelesen habe und immer begeistert war. Am Anfang zieht sich das Lesen vielleicht ein bisschen, aber mit der Zeit fngt die Geschichte ihren Leser ein und man mag das Buch gar nicht mehr weglegen. Natrlich darf man hier nicht erwarten, dass die Geschichte besonders realistisch ist, aber ich denke, darum geht es auch nicht. Es macht Spa, sich in der Geschichte zu verlieren und ein bisschen davon zu trumen, dass einem selbst so etwas passiert. Ich kann es nur empfehlen, vor allem wenn man auf ein bisschen kitschige Frauengeschichten steht :)

**Kurzbeschreibung** 26-year-old Claire Reilly is on top of her game as one of the youngest celebrity reporters and editors in the business. At Mod magazine, she is a consummate professional, interviewing dreamy Hollywood hunks and staying on top of every story. Unfortunately, her live-in boyfriend seems intent on setting the worlds record for celibacy, yet she finds herself penning articles like Ten Reasons You Should Have a One-Night Stand. When Claire lands the plum assignment of interviewing Cole Brannon, Hollywoods #1 hottie, she knows better than to mix business with pleasure, but the next morning, she finds herself in Coles bed....without her clothes. After the tabloids pick up the story, Claires life is turned upside down. In struggling to regain her reputation, shell learn a great deal about herself....and that you shouldnt always believe everything you read.

**Synopsis** You're sitting in a swanky restaurant interviewing one of the world's most gorgeous movie stars. He's being very, very friendly. Flirtatious, even. What do you do? (a) Get serious. Slide your number across the table and begin to play footsie with him. (b) Get up and leave. You're a highly professional young journalist, and a celebrity fling is the last thing on your mind. (c) Get confused. Why would such an adored (and adorable) man be interested in you? Even if he is the nicest, most down-to-earth guy you've ever met! When Claire's glitzy job puts her in exactly this position, she's not sure what the right answer is. But then she discovers that nothing -- and no-one -- is ever what they first seem.
