Recommended.Von The Wizard of OzThis I think is more for those around those that can't stop having casual sex (if you can't stop it usually means you don't want to and if you don't want to you won't be reading this or any other book on the subject). An interesting read if only to help those affected better understand why those who keep doing it keep doing it. Recommended.0 von 0 Kunden fanden die folgende Rezension hilfreich. Stop wasting time with casual

sexVon ConvokeHere's a different "How-to" manual: "How to Stop Having Casual Sex: Control Your Mind and Achieve Your Dreams..." by Anastasia Stone looks at sex in a new context. For those of us old enough to think that casual sex went out with AIDS, think again. This book is not for everyone, but fills a void, so to speak. One could probably say, "Stop having casual sex before casual sex stops you."0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Motivational ToolVon AnariThis book isn't just about how to stop those mindless and meaningless relationships in your life - it's a great motivational tool for all aspects of your life, setting you up with the right tools and mindset to achieve your goals and turn your life around.If you want to make more of yourself and your life, then give this book a spin. It has some fascinating concepts inside!!
