"There are some people you can't imagine life without."Von aprilsunshineEin super schnes Buch ber Freundschaft, Liebe und alles, worauf es im Leben wirklich ankommt. Die fnf "brig gebliebenen" Freunde trauern ihrer verstorbenen Freundin

Liv nach und verzweifeln in verschiedener Hinsicht immer wieder an ihrem jeweiligen Alltag. Dann finden sie eine Liste, die Liv einige Monate bevor sie gestorben ist, geschrieben hat: "Dinge, die ich tun will bevor ich 30 bin". Daraufhin beschließen sie, diese "Aufgaben" untereinander aufzuteilen, um die Punkte auf der Liste gemeinsam bis zu Livs (theoretischen) 30. Geburtstag umgesetzt zu haben. Einige von ihnen sind dabei erfolgreicher, andere weniger - aber diese Aufgaben verändern doch einiges an ihrem Leben und ihren Beziehungen. Am Ende merken sie jedoch, dass man sich auf das konzentrieren soll, was man wirklich will. Und dass das Leben immer weiter geht, egal was passiert! Ich finde, dass das Buch ist super geschrieben - habe es auf Englisch gelesen - und zum Nachdenken anregt. Würde es auf jeden Fall empfehlen!! Fünf Sterne. This book is about friendship, love and everything that counts in life. It's about six friends who have shared a lot of memories together. But now without Liv, everything is different. Then they find a list which Liv wrote a few months before she died: "Things I want to do before I'm 30". Together they try to finish those tasks - some of them are more successful some less. But meanwhile, this project brings some changes to their lives. And in the end they realize that life goes on, no matter what happens. I liked Katy Regan's spelling style and would definitely recommend this book! *****

Kurzbeschreibung There are some people you can't imagine life without. What, at the end of it all, is really important? Liv and her friends can't imagine a life different from now: freedom, lifelong friendships, and dreams that are still within their reach. Then, Liv dies. For those left behind Mia, Fraser, Anna, Norm and Melody everything stops. Their lives and dreams are frozen in time. In the years that follow, they decide to meet on Liv's birthday to raise a toast and celebrate her life, even though none of them are living their own not really. Time marches inexorably on, and yet without Liv, the lynchpin of the group, they are all flailing. Mia and Fraser are quietly falling apart because of the secret they share and, as truths are unearthed and their friendships are tested to the limit, they have to ask themselves is it time to get on with the business of actually living?
