The Hunted (The Chosen 2) Von Rosy I just loved the first book in this series, and enjoyed the second one very much, too. However, I got the distinct impression that the action was being 'strung out' to fill pages, and Emma started to get on my nerves a little! Hence my 4 stars instead of 5. It didn't stop me buying the follow-up book, though, as I definitely wanted to find out what was in store for the protagonists. I am just about to order the 3rd of the series.
