Von Jaycee Clark : Hunted (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hunted (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. It just hits where it hurts! Von Ruth Hans This romantic suspense is something I didn't expect from Jaycee Clark, after I've

read her other books! But don't get me wrong! That is no critique but only praise. Where her other books are written to please the readers and tickle their romantic bone, this story is dark, more realistic and it's really suspense-packed. It is fast paced and there was not one boring syllable written in this book! The heroine has been abducted and forced into the dark world of prostitution and abuse. The author doesn't spare the reader goose bumps when she describes how the heroine is forced to witness the cruel murder of another abducted girl. The reader can't escape the story, when without fanfare or too much detail he has to read how the heroine has to endure being raped by the johns and he fears and feels right with the girl, when at last help is coming in form of a dark and brooding hero. The escape is very thrilling and keeps you right on your toes. And when the heroine at last returns home it's very good described how unsecure she feels and how difficult it is to find back into a normal life, after all she had to live through while in the hands of her tormentors. And that is not where the story ends, but it keeps being thrilling and exciting! The abductor follows the girl to America and just when one thinks that the situation can't be solved for the good, another "hero" arrives, but without the benefit of a clean record... ..he's just another criminal, a leader of the Italian mob and out for revenge for his daughter, the girl which the heroine had been forced to witness being murdered by the slave traders. I don't want to tell too much, but this story just had me enthralled from the first word to the last one. I can only recommend it. Even if the love story isn't as ostensible as usual in this genre, this just enforces the feel of reality and in the end, there is enough room for your own phantasy, how the future of our heroine and hero will develop. Just read and have "fun", whereas fun might not be the right word, but my English is just not good enough to find the right phrase. I just hope that I could get you curious enough, to buy the book, because it would be a shame if you missed reading it!

Kurzbeschreibung Selected as a semifinalist in the 2013 Kindle Book Awards! *Hunted* is a wonderfully written novel. The storyline is dark and very suspenseful . . . draws the reader in right away and doesn't loosen its grip until the last page. All of the characters are well developed . . . Morgan and Lincoln are amazing. This book deserves 5+ stars and I highly recommend it. e-thriller.com (A Thriller of the Month) New York Times and USA Today bestselling author Jaycee Clark takes her writing to the next level with this dark Romantic Thriller. Sins can be buried, but they're never forgotten . . . Morgan Gaelord has lived with the knowledge of her past and the fear of her secret for years. No one knows the truth behind her nightmares in the hellish Czech Republic underground, and they never will. She's carved a life for herself, helping her brothers run the family antiques business. Nothing and no one is taking this slice of contentment away from her. Lincoln Blade III, owner of the premier Blade Jewelers, has put his past behind him. Retired from his days with InterPol and undercover operations, he's enjoying the corporate side of life. He's spent years in the cesspools of society, helping the lucky escape, and he has no intention of being dragged back. But someone from both their pasts changes that. Women who escaped the world of sex slaves are being hunted and eliminated. When the victims are linked to Blade and his past, he's forced back into a role he'd vowed to leave behind, and both he and Morgan must trust each other before the killer reaches his final target. About the Author: Jaycee Clark is the New York Times and USA Today bestselling author of the hugely successful Kincaid Brothers series, including *Deadly Shadows*, *Deadly Ties*, *Deadly Obsession*, *Deadly Games*, *Deadly Secrets*, and *Deadly Beginnings*.
