bloodsucking, gorgeous vampire instead he lives in dead bodies and eats the souls of demons. Usually. Now he has to live in the background while our MC Caleb manages their body. But Gray is always present and their dialogues are very real and funny. I love how innocent Gray is (and I love Gray himself, if you haven't already noticed). John is a likeable character, too and I hope we get to read more about him in the next books. The world building is promising and the writing style easily readable. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Jordan L. Hawk is one of my new favourite authors! Von Lotta This series of novellas has placed Hawk in the list of authors whose books I will now buy, no matter what. I don't think she can ever lead me wrong.

Kurzbeschreibung "The SPECTR series is paranormal romance with bite, for readers who're looking for something a little extraordinary." - The Novel Approach sWhat happens when an exorcist falls in love with the demon he's meant to destroy? Book 1 in the SPECTR series Unregistered paranormal Caleb Jansen only wants a normal life. But when a demon murders his brother, Caleb knows he has to avenge Ben's death, no matter what the cost. Unfortunately, his only allies belong to an extremist group who would kill Caleb if they found out about his talent. Gray is a wandering spirit, summoned to hunt and destroy demons by drinking their blood. This hunt goes horribly wrong, and for the first time in his existence Gray is trapped in a living, human body. Caleb's body...and Caleb is still in it. Hotshot federal agent John Starkweather thinks he's seen it all. But when he's called to exorcise Caleb, he finds a creature which isn't supposed to exist outside of stories. For Gray is a drakul: a vampire. Having spent his life avoiding the government as an unregistered 'mal, Caleb can't let himself trust a federal exorcist, no matter how sexy. And he certainly isn't going to give into the heat growing between them and sleep with Starkweather. Because if Gray gives in to bloodlust, Starkweather will have no choice but to kill them both. Novella: 33,643 words Genre: m/m paranormal romance This story unfolds over a series of 6 books approximately 115 pages each. ~ SPECTR: The Complete First Series (books 1-6) on sale now ~ Kurzbeschreibung "The SPECTR series is paranormal romance with bite, for readers who're looking for something a little extraordinary." - The Novel Approach sWhat happens when an exorcist falls in love with the demon he's meant to destroy?
