Kurzbeschreibung Former Earthman Tarl Cabot is now a powerful Tarnsman of the brutal and caste-bound planet of Gor, also known as Counter Earth. He embarks on an adventure in the dangerous and mysterious wilderness of Gor, pitting his warriors skills against those of treacherous outlaws, bandits, and fighters. Three different women are working to bring change to Tarls far-from-peaceful life on Gor: Talena, his onetime queen and first love; Elizabeth, his brave fighting partner; and the ian Verna, chief of the fierce and wild panther women. As Tarl journeys through the wilderness, the fates of these three remarkable women will finally be decided. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Hunters of Gor is the 8th book in the Gorean Saga, but you may enjoy reading the series in any order.
