Romance with a twistVon Ein KundeThis is the sequel to "Cathing Midnight" by Emma Holly. It's a nice paranormal romance about a young girl that leaves her home to avoid a loveless marriage. Instead of the usual hero for a middle

ages romance, but a shapeshifting immortal. The protagonists are a bit two-dimensional, but the story is interesting enough to keep the pages turning. Fans of Emma Holly's "Black Lace" erotica won't find the same level of intensity in this novel. Nevertheless it's a good novel to be enjoyed by many romance readers.

Kurzbeschreibung A.D. 1370 For hundreds of years, a pack of shape-shifting immortals has been content to stay hidden deep within the Scottish wood, far from the dangers of the human world. But when the pack leader, Ulric, is betrayed by his longtime lover, he recklessly ventures beyond the borders of the forest and starts roaming the streets of Bridesmere. It is there that he encounters Juliana Buxton, a dutiful daughter of a successful merchant. Ulric finds Juliana's wholesomeness deliciously irresistible, and consents to help her escape the clutches of her much older betrothed if only to seduce her. For Juliana, Ulric's gentle fury inflames her desire and finally introduces her to the wickedly sensuous delights of searing passion. And as she begins to uncover the truth about his secret identity, something altogether new grows within in her forbidden longing to become immortal herself and remain by Ulric's side. But will Ulric grant the innocent maiden her bold wish or will he cast her from his life and send her back to the treacherous world beyond the caves. . . .
