**Von Jaci Burton : Hunting the Demon** before purchasing it in order to gage whether or not it would be worth my

time, and all praised Hunting the Demon:

Kurzbeschreibung In a world seething with sin and seduction, the chase is on. Hunting demons for a living can have its moments. Especially when Shay Pearson's latest quarry is the gorgeous bronze surfer who just stepped out of the sea. Uncovering Nic Diavolo's devilish side could prove Shay's toughest assignment yet. Because while she's acting as bait to snatch this sexy bad boy, Nic's got a plan of seduction no woman earthly or otherwise can resist. Caught between two warring realms, Nic needs to stay alive long enough to figure out who his enemies are. That includes the beautiful hunter who won't let him out of her sight. And something far worse: a force of evil with an almost unimaginable goal possessing Nic's very soul. But the hunt really heats up when a guy hotter than Hades and a woman who's afraid of love join forces, igniting an inferno of lust and longing that could send them into mortal danger...or straight into each other's arms. From the Paperback edition. From Publishers Weekly

In her steamy follow-up to *Surviving Demon Island*, Burton introduces demon hunter Shay Pearson, a member of the Realm of Light, the good guys dedicated to keeping back the demon menace. She's on a mission in Sydney, Australia, to locate the Diavolo Diamond heir, sexy surfer and half-demon Nic Diavolo, and bring him back to agency headquarters by any means necessary; once there, Nic's to meet his brother, who will determine if Nic will band with the Realm or with their sinister enemy, the Sons of Darkness. Spotting him in nothing but low-slung board shorts, however, gives Shay other ideas like, for instance, satisfying her lust for his rock-hard abs. Nic, meanwhile, is oblivious to the demonic forces within him, save for a recurring dream of long-taloned beasts clawing at his feet and worshipping him. Dreams he begins to fear are visions of what's to come. Burton brings the heat, jazzing her otherworldly suspense plot with numerous passionate interludes, without letting the explosive good vs. evil saga flag. Hot sex, fierce battles and an impending sequel make this title worth hunting down. (Sept.) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.
