3rd book Von SiniFis***I received this book in exchange for an honest review from the Author and the Lovers of Paranormal Group on Goodreads.com***Caleb and Rielle, their differences couldn't be bigger. Caleb is a fighter and a whole-hearted guardian. Rielle lives in the city and tries to keep her distance from her wolf and the pack. But when the rogues come closer to the pack she has to move back to the pack and within reach of Caleb. Sparks are flying and tempers are boiling as soon as those two meet. I didn't like it as much as the first two books, but it still was a great book. I enjoyed reading Caleb's and Rie's story and how the pack tries to fight off the rogues that pop up in their territory. I think it is a great idea to have this storyline still going. It connects all the books and ties them together really nicely.
