Ich hatte viel Spa und kann es nur empfehlenVon lonelywriter4,25starsIch muss zugeben, ich bin kein Fan von Reality-Shows. Um ehrlich zu sein kann man sogar sagen, dass ich sie hasse!Alles in diesen Shows ist Fake. Sehr oft sogar sind die Dialoge fr die Teilnehmer geschrieben worden und nicht ihren eigenen Worte.Also musste ich wirklich gut berlegen, ob ich ein Buch mit diesem Hauptthema lesen wollte. Aber weil ich Ricks Bcher mag, gab ich auch diesem eine

Chance. Und du meine Gte, bin ich froh, dass ich das tat! Ich hatte so viel Spa beim lesen. Es war wie eine Achterbahnfahrt fr mich und meine Gefhle waren ganz durcheinander. In einem Moment kommt ein Charakter nicht aussteigen und nach ein paar Seiten liebte ich ihn quasi. Das gleiche kann man allerdings auch umgekehrt sagen! Es gab Momente, da mochte ich Cody wirklich nicht. Und manchmal wollte ich ihn schlagen ... hart! Andere Male tat er mir so leid und ich wollte der Person, die ihn "verletzte" gehrig meine Meinung sagen. * seufz * Ihr knnt sehen, ich war wirklich involviert in dieses Buch, die Handlung und die Charaktere. Matt war so ein wunderbarer Charakter und mein Herz brach fr ihn in einigen Szenen. (das waren die Momente, wo ich Cody schlagen wollte^^) Am Ende bin ich immer noch nicht sicher, ob Cody der richtige Partner fr Matt ist, aber wenn er glcklich ist, ist das alles was zht. Oh und Chappy.. lasst mich ihn nicht vergessen. Er hatte keine groe Rolle, aber irgendwie habe ich mich in ihn verliebt. Wenigstens ein bisschen;) So ist es kein Wunder, dass mein Herz fr ihn brach. Ich wollte ihn umarmen ... sooo sehr. Und ich wnschte, es gbe ein Buch, in dem er sein HEA bekommt. Ich kann dieses Buch definitiv weiter empfehlen!~~~~~

have to admit I'm not a fan of reality shows. To be honest you can say I hate them! Everything in these shows is false/fake. Very often even the dialogues are written for the participants and not their own words. So I had to think hard if I wanted to read a book with this main theme. But because I like Rick's books, I gave it a try. And boy, am I glad that I did! I had so much fun reading it. It was a rollercoaster for me. And my feelings were all over the place. One minute I couldn't stand a character and after a few pages I loved him. The same is to say for the other way round! There were times I really didn't like Cody. And sometimes I wanted to smack him...hard! Other times I felt so sorry for him and I wanted to give the person who "hurt" him a piece of my mind. *sighs* I was engaged in this book and with the characters. Matt was such a wonderful character and my heart broke for him in some scenes. (that were the times where I wanted to slap Cody^^) At the end Im still not sure if Cody is the right partner for him but if he's happy that's all that counts. Oh and Chappy.. dont let me forget him. He doesnt have a big part but somehow I fell in love with him. At least a bit ;) So it was no wonder that my heart broke for him. I wanted to hug him desperately. And I really wished there'd be a book where he gets his HEA. I definitely recommend this book!

Kurzbeschreibung You never know where the love of your life might turn up. When Matt Connelly suggests to his best buddy Cody Mook that they head to downtown Seattle to audition for the gay reality TV show Husband Hunters, both agree the experience might be a lark and a chance to grab their fifteen minutes of fame. What they don't know is that the show, modeled after HGTV's House Hunters, will open doors of longing neither expected. For Matt, the secret love he has long harbored for Cody might be thrust into the spotlight. Cody might realize his search for his perfect-forever-man extends no farther than the man who's always been at his side. Husband Hunters promises laughter, tears, and, just maybe, a happy ever after. Will Cody and Matt's story be one of best-friends-to-lovers or an outright disaster? Kurzbeschreibung You never know where the love of your life might turn up.
