TuckerA whirlwind romance and a glorious honeymoon makes the crash of dreams even harder to bear when Lisa Solomos overhears her husband Alex discussing the control of Lisa's family business with her greedy stepbrother. This shock, added to the late night entry of Alex's former mistress into their apartment, destroys Lisa's trust in her husband. The ultimate betrayal comes when Lisa discovers that her Greek husband doesn't believe in love. Divorce is out of the question after Alex threatens to destroy her family if she leaves.As with many earlier romances, a little communication could solve most of the problems. This doesn't mean HUSBAND ON TRUST is a bad read,

because it isn't. Just be prepared for some aggravation.

Kurzbeschreibung Meeting sexy and dynamic entrepreneur Alex Solomos has transformed Lisa's life. In the seven weeks since their whirlwind wedding, her confidence and happiness-both in and out of the bedroom-have grown enormously. But Lisa finds she can't shake some nagging doubts about her husband. Passionate as Alex is, there are parts of his professional and personal life he insists on keeping from his new wife. She tells herself she's being foolish, until she makes two shocking discoveries in one night.
