Von Rebecca Winters : Husband Potential before purchasing it in order to gage whether or not it would be worth my time, and all praised Husband Potential:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. a well written bookVon Ein Kundei first read this book when i went to my favourite bookshop in town. i found out that this book is the latest book in that shop. without wasting any time, i read the book. although it was kind of slow in the beginning, but it has a good storyline. anders and francesca fell immediately in love at first sight, first at the monastery, then to a choir show, and thus other places. anders is determined to make francesca his wife but francesca is feeling doubtful about her feelings towards anders. the part i like best is when anders is leaving Salt Lake and francesca tried to stopped him. she finally gotten up her nerves and told anders about her feelings. it is such a good

book not to be miss.

Kurzbeschreibung Fran Mallory was shocked by the intensity of her attraction to magnetic Andre Benet. Intimacy with him was strictly forbidden! But perhaps this was half Andre's charm. She could spend as much time with him as she liked and ensure her heart remained intact! Andre Benet wasn't looking for a relationship, so in an attempt to keep Fran at arm's length, he'd let her believe he was off-limits. Now he was unable to resist his desire for her any longer. But would Fran feel quite so safe with him when he revealed he DID have husband potential after
