KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. very nice! Von Daniela Kraml A very nice straightforward police procedural with a likeable and believable heroine. It was rather short for my taste and a little bit more editing is needed. I'm currently reading the second book in the series and I'm enjoying it very much. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not enough action Von Barbara Tsipouras This is a classic whodunit with some twists and distractions, but in my opinion it's moving too slowly. I'd guess in a case like this with an abducted child there'd be more action.

Kurzbeschreibung A missing baby. A murdered girl. A case where everyone has something to hide... On the first day of her new job in the West Country, Detective Sergeant Kate Redman finds herself investigating the kidnapping of Charlie Fullman, the newborn son of a wealthy entrepreneur and his trophy wife. It seems a straightforward case... but as Kate and her fellow officer Mark Olbeck delve deeper, they uncover murky secrets and multiple motives for the crime. Kate finds the case bringing up painful memories of her own past secrets. As she confronts the truth about herself, her increasing emotional instability threatens both her hard-won career success and the possibility that they will ever find Charlie Fullman alive... Hushabye (A Kate Redman mystery) is the first novel in the best selling Kate Redman Mystery series from crime writer Celina Grace, author of Lost Girls and The House on Fever Street. Praise for The Kate Redman Mysteries from and Goodreads reviewers: One of the best I have read this year. I read about a fourth of the book early in the day, then at bedtime, I thought I would read a bit more before sleep. I finished the book at 5:20 AM. Just could not put it down. At last, a mystery that delivers I found this novel superb because I got all I needed to know and none of what I didn't. a gripping detective story but the main character engages you, and as well as wanting to know how the mystery turns out you want to learn more about her too. amazing book, read it front to back in one visit, couldn't help myself the most enjoyable Kindle book I have so far read since the 'low cost electronic revolution' which has been sweeping my reading habits for the last couple of years! Thoroughly recommended. This was my introduction to the author, and I'm so glad I discovered the book. Well-written and a real page turner. I was awake till the early hours to finish it !! I really enjoyed it and the characters in it so I'm pleased I also have the sequel downloaded to read at some point. I know it should be great. Attention to detail and great character building coupled with a mystery that keeps you guessing are all the ingredients that make me keep reading till the early hours of the morning. "Celina Grace has done it again, she compels you from page to page and chapter to chapter, a great, riveting read..." "I found it difficult to put down and was completely distracted from all the other things I should have been doing with my time." "This is a great series that I couldn't put down and grabbed the next book right away at 1 a.m. to keep reading." Kurzbeschreibung A missing baby. A murdered girl.
