DeeslerSehr spannendes und

mitreißendes Buch, welches aktuelle Themen gekonnt mit der Historie vereint. Für nicht "native speakers" sicherlich an einigen Stellen eine Herausforderung, vor dem Hintergrund des teilweise sehr blumigen und idiomatischen Schreibstils. 0 von 0 Kunden fanden die folgende Rezension hilfreich. nichts für schwache Nerven. Von Leseratte_MUC Sehr spannend, wenn auch ziemlich blutrünstig und nichts für Zartbesaitete. Die Geschichte ist gut konstruiert und man kann das Buch kaum aus der Hand legen!

Kurzbeschreibung Can you commit the perfect crime? Pilgrim is the codename for a man who doesn't exist. The adopted son of a wealthy American family, he once headed up a secret espionage unit for US intelligence. Before he disappeared into anonymous retirement, he wrote the definitive book on forensic criminal investigation. But that book will come back to haunt him. It will help NYPD detective Ben Bradley track him down. And it will take him to a rundown New York hotel room where the body of a woman is found facedown in a bath of acid, her features erased, her teeth missing, her fingerprints gone. It is a textbook murder and Pilgrim wrote the book. What begins as an unusual and challenging investigation will become a terrifying race-against-time to save America from oblivion. Pilgrim will have to make a journey from a public beheading in Mecca to a deserted ruins on the Turkish coast via a Nazi death camp in Alsace and the barren wilderness of the Hindu Kush in search of the faceless man who would commit an appalling act of mass murder in the name of his God.

Pressestimmen Hayes delivers muscular prose, sniper-round accurate dialogue and enough superb and original plotting to fill three volumes. He balances it all with the dexterity of the accomplished storyteller that he so obviously is. I Am Pilgrim is simply one of the best suspense novels I've read in a long time. (David Baldacci #1 New York Times bestselling author) Mr. Hayes's globe-trotting book has more kicks, twists and winks than anything of its dusty genre has provided in a long time. You will be happily surprised to find a new thriller franchise with brains to match its brawn. (Janet Maslin The New York Times) "THRILLER OF THE WEEK. Delivers thrills and spills... A full tilt mix of Homeland, The Wire and The Bourne Ultimatum." (Mail on Sunday) "I Am Pilgrim is a 21st century thriller: a high concept plot, but with finely drawn protagonists.
