The big bad Master from the #InsideOutSeries has finally found his perfect match.Von Bianca @BJsBBMark just got back to New York.He wants/needs to be there for his mom, who's going through chemo/radiation.And he has to take care of

the family business. Then there's Crystal, of course. He just can't get her out of his head. They think they're so wrong for each other, but they are totally drawn to each other. To make it easier for both of them, Mark tries to scare her away from him by offering her a Dominant-Submissive contract. But Crystal won't be scared away so easily. She's not going to sign the contract either. She's not a submissive, she could never be submissive to a man. And since Crystal loves his mother and wants to be by her side too, they just have to live with being around each other - a lot. Especially since Mark wants to stay in NYC indefinitely. But of course they can't stay away from each other for long. Especially with the danger of Ava still lurking out there somewhere, just waiting for the right time to strike. Mark has to keep everybody he cares about safe - and that includes Crystal. He wouldn't survive another person getting hurt or worse because of him. What will happen to Mark Crystal? Will there be a HEA? What about the whole Ava/Rebecca mess? Will everybody die at the end? o.O Or will there be a horrible Cliffhanger? I'M NOT TELLING YOU THAT OF COURSE... _____ AMAZING BOOK!!! I BELONG TO YOU was sooo amazing! I loved every second of it! The way they both don't really want each other - or at least how they pretend to not want the other. They're so adorable trying to ignore their feelings.... This was such a sexy book - so full of emotions ... you just want to crawl into it and hug the hell out of them all.... It was so wonderful to see how those two damaged souls fight their way through all the problems of the past and present to get to their HEA. If you loved the other books in the #InsideOut series, you will definitely love Mark's book too!!! The big bad Master from IF I WERE YOU etc. has finally found his perfect match. Now, there's only one tiny little Novella left - Chris Sara's wedding... I guess/hope that we'll see Mark Crystal as wedding-guests ALL OF ME - coming in February! I mentioned it before - but can I please have the Inside Out TV Show on my TV tomorrow??? And can it please be a daily thing? Because I want/need to stare at (naked) Chris Mark all day long!
