hatte mich für dieses entschieden. Es ist wirklich großartig. Obwohl ich die beiden Bände davor nicht gelesen hatte, habe ich fast alles einwandfrei verstanden und die Handlung ist wirklich gut. Man ist mittendrin im Geschehen und bis zum Ende weiß man nicht, wie es ausgeht. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr spannend
Von Vera.d.rDie gesamte John Cleaver Serie hat mich sofort in ihren Bann gezogen. Ja es gab so einige Stellen bei denen es einen schaudert aber ich konnte die Bücher nicht aus der Hand legen. Sehr interessante Charaktere (vor allem natürlich die Hauptcharaktere) und für mich eine Geschichte die ich nicht schon in ähnlicher Form gelesen hätte. Also Extrem Spannend und gut! Ich kann es jedem empfehlen der sich nicht zu schnell eckelt! Ich warte auf den vierten Teil!!! 2 von 2 Kunden fanden die folgende Rezension hilfreich. Auch der dritte Band der Cleaver-Serie macht Spaß
Von Esther "I'm not a Serial Killer" war seit langer Zeit eines der originellsten Debüts, das ich lesen durfte und John Cleaver einer sympathischsten Soziopathen seit Dexter Morgan. Zum Glück sind auch die Folgebände "Mr. Monster" und der neueste Titel "I don't want to kill you" auf dem selben Niveau geblieben. Dan Wells findet auch im dritten Band wieder einen originellen und mit vielen Überraschungen gespickten Plot (von dem ich nichts verraten möchte!). John wird diesmal vor allem mit Mädchen konfrontiert...was sein sorgsameres Regelwerk natürlich ziemlich durcheinander bringt. Das Ende ist dann für diese Serie überraschend düster, verspricht aber auch eine weitere Fortsetzung - die hoffentlich ganz schnell kommt!

Kurzbeschreibung Dan Wells introduced us to John Wayne Cleaver in the chilling novels I Am Not a Serial Killer and Mr. Monster. In I Don't Want to Kill You, Cleaver faces his toughest challenge yet. John Wayne Cleaver has called a demon---literally called it on the phone---and challenged it to a fight. He's faced two monsters already, barely escaping with his life, and now he's done running; he's taking the fight to them. As he wades through the town's darkest secrets, searching for any sign of who the demon might be, one thing becomes all too clear: in a game of cat and mouse with a supernatural killer, you are always the mouse. In I Am Not a Serial Killer we watched a budding sociopath break every rule he had to save his town from evil. In Mr. Monster we held our breath as he fought madly with himself, struggling to stay in control. Now John Wayne Cleaver has mastered his twisted talents and embraced his role as a killer of killers. I Don't Want to Kill You brings his story to a thundering climax of suspicion, mayhem, and death. It's time to punish the guilty. And in a town full of secrets, everyone is guilty of something. Publishers Weekly on I Am Not a Serial Killer Wells's debut is an unabashedly gory gem. This deft mix of several genres features a completely believable teenage sociopath (with a heart of gold), dark humor, a riveting mystery, and enough description of embalming to make any teen squeamish, even if they won't admit it. Buy multiples where it won't be banned. Kirkus (starred review) on I Am Not a Serial Killer
