Von Adrian McKinty : I Hear the Sirens in the Street (Detective Sean Duffy Book 2) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised I Hear the Sirens in the Street (Detective Sean Duffy Book 2) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Thrilling

sequel to The Cold Cold Ground Von Eva I usually don't read crime novels. When I came across "The Cold, Cold Ground" by chance I read it mainly because I was interested in the historical background of the troubles, but the story caught me at once. Sean Duffy is a very sympathetic hero, probably because he is far from perfect and often struggles with the different loyalties as a Catholic and a member of the RUC. Being German, I cannot judge about the authenticity of McKinty's language, but it appears pretty authentic to me. There are passages, though, reflections, dreams, which rise this series above normal crime fiction. I got addicted and continued to read "Sirens", this series and other McKinty books. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Unique Crime Fiction Series Von Breiti Die Sean Duffy Romane zählen zum Besten der zeitgenössischen (nordirischen) Literatur und sind ein MUSS für jeden Crime Fiction Fan der mal über den Tellerrand hinausschaut. Die historische Verankerung in den 80er Jahre Troubles in Nordirland ist fantastisch gelungen und schafft eine einzigartige Atmosphäre. Auch wenn der Autor sich immer mal wieder von dieser Reihe abwendet; diese Reihe gehört zum Besten was Adrian McKinty bisher verfasst hat. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Fantastisch Von Susanne Wichter Ein fantastischer neuer Fall im Belfast der 80-er Jahre vor dem Hintergrund der "Troubles". Einfach super, noch besser als der erste Band!

Kurzbeschreibung Book 2 in the Detective Sean Duffy series. 'McKinty is one of Britain's great contemporary crime writers and the Sean Duffy books are his masterpiece.' IAN RANKIN Sean Duffy knows there's no such thing as a perfect crime. But a torso in a suitcase is pretty close. Still, one tiny clue is all it takes, and there it is. A tattoo. So Duffy, fully fit and back at work after the severe trauma of his last case, is ready to follow the trail of blood -- however faint -- that always, always connects a body to its killer. A legendarily stubborn man, Duffy becomes obsessed with this mystery as a distraction from the ruins of his love life, and to push down the seed of self-doubt that he seems to have traded for his youthful arrogance. So from country lanes to city streets, Duffy works every angle. And wherever he goes, he smells a rat... RAIN DOGS WAS WINNER OF THE EDGAR AWARD 2017 Pressestimmen Winner! Barry Award for Best Paperback Original, 2014 #3 on Booklists The Years Best Crime Novels / Top Ten Crime Fiction Shortlisted for 2013 Ned Kelly Awards, Best Crime Novel Longlisted for the Theakston Best British Crime Novel Award In this pitch-perfect sequel to The Cold Cold Ground... Duffy is nearly overwhelmed by politics. This is crime fiction at its best: a police procedural with dialogue that's crisp and occasionally lighthearted; blistering action that's often lethal; McKinty's mordant Belfastian wit; and a protagonist readers won't want to leave behind when the trilogy ends. BOOKLIST, STARRED REVIEW I Hear the Sirens in the Street blew my bloody doors off! IAN RANKIN, author of the Inspector Rebus novels Adrian McKinty has the chops to do all manner of things with words, and in I Hear the Sirens in the Street he unleashes a strain of rough and visual, sly and lyric narrative prose in service of one hell of a story. Sean Duffy is a great creation, a figure of many parts, and the place comes alive. DANIEL WOODRELL, author of The Outlaw Album: Stories Kurzbeschreibung Book 2 in the Detective Sean Duffy series.
